## **Wavemaker Maintenance Schedule Checklist**

Start Date: [ / / /]

## **Weekly**

| DATE: | TREAT WEDGE | CLEAN WATER | LUBRICATE RAILS & AXLES | CHECK WEDGE<br>FASTENERS |
|-------|-------------|-------------|-------------------------|--------------------------|
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |
|       |             |             |                         |                          |

## **Monthly**

| MONTH: | CHECK ALL<br>FASTENERNS | CHECK RAIL<br>PARALLEL | CLEAN BELT<br>& IDLERS | CHECK PARTS FOR<br>WEAR |
|--------|-------------------------|------------------------|------------------------|-------------------------|
|        |                         |                        |                        |                         |
|        |                         |                        |                        |                         |
|        |                         |                        |                        |                         |

# **Pre-Lab Shutdown**

| START DATE: | END DATE: | SLACKEN BELT | DRY & STORE |
|-------------|-----------|--------------|-------------|
|             |           |              |             |
|             |           |              |             |
|             |           |              |             |

### **Maintenance Notes**

| DATE<br>REPORTED: | DATE<br>RESOLVED: | NOTES: |
|-------------------|-------------------|--------|
|                   |                   |        |
|                   |                   |        |
|                   |                   |        |
|                   |                   |        |
|                   |                   |        |
|                   |                   |        |
|                   |                   |        |
|                   |                   |        |
|                   |                   |        |
